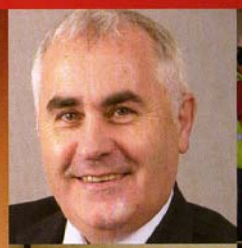
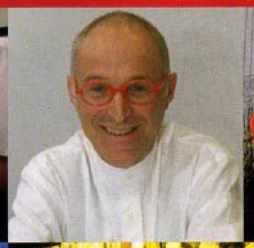
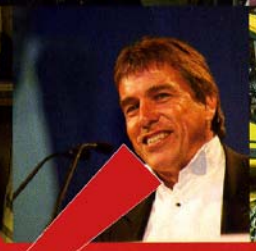
Health and Safety Awards 2006

Thursday 22 June, London Hilton, Park Lane







Now in their third year, the Health & Safety Awards are organised in association with the Health & Safety Executive and incorporate the Working Well Together categories. The Health and Safety awards reward excellence, innovation and professionalism in all areas of construction safety, occupational health, site facilities and staff welfare. With clients increasingly minded to only work with organisations that have a good track record in health and safety, the awards represent an excellent opportunity for organisations to showcase their strengths in this area.

The event is expected to attract nearly 1000 people and will take place on Thursday 22 June at the London Hilton on Park Lane. So don't miss out, call JC Events on 020 8755 4441 to book your table.

Best Building Contractor's Safety Initiative

Major Contractor

Carillion Building
hbg Construction
ISG InteriorExterior
Skanska
Taylor Woodrow
